Preface.....	v
Module 1: Beyond the Basics	1-1
Section 1: Working Effectively with AutoCAD	1-2
Setting up the Interface	1-3
Using the Keyboard Effectively	1-11
Working in Multiple Drawings	1-15
Using Grips Effectively.....	1-19
Additional Layer Tools	1-25
Command Summary.....	1-34
Self Check: Working Effectively with AutoCAD.....	1-36
Section 2: Accurate Positioning.....	1-37
Coordinate Entry	1-38
Locating Points with Tracking	1-44
Construction Lines	1-48
Placing Reference Points.....	1-51
Command Summary.....	1-57
Self Check: Accurate Positioning	1-58
Project Exercises: Productivity Tools	1-59
Module 2: Creating and Organizing Blocks	2-1
Section 1: Creating Blocks.....	2-2
Creating Blocks	2-3
Editing Blocks	2-11
Removing Unused Elements	2-15
Command Summary.....	2-18
Self Check: Creating Blocks	2-19
Section 2: Blocks in Tool Palettes	2-20
Adding Blocks to Tool Palettes.....	2-21
Modifying Tool Properties in Tool Palettes.....	2-25
Self Check: Blocks in Tool Palettes.....	2-29
Command Summary.....	2-30
Project Exercises: Creating and Organizing Blocks	2-31
Module 3: Drawing Setup	3-1
Section 1: Creating Templates	3-2
Why Use Templates?	3-3
Controlling Units Display	3-5
Creating New Layers.....	3-10

Adding Standard Layouts to Templates	3-16
Saving Templates	3-19
Command Summary	3-21
Self Check: Creating Templates	3-22
Section 2: Annotation Styles	3-23
Creating Text Styles	3-24
Creating Dimension Styles	3-29
Creating Multileader Styles	3-42
Command Summary	3-48
Self Check: Creating Templates	3-49
Project Exercises: Drawing Setup and Utilities	3-50
Module 4: Advanced Layouts and Printing	4-1
Section 1: Advanced Layouts	4-2
Creating and Using Named Views	4-3
Creating Additional Viewports	4-8
Layer Overrides in Viewports	4-14
Additional Annotative Scale Features	4-18
Command Summary	4-24
Self Check: Advanced Layouts	4-25
Section 2: DWF Printing and Publishing	4-26
DWF Plotting and Viewing	4-27
Publishing Drawing Sets	4-31
Command Summary	4-36
Self Check: DWF Printing and Publishing	4-37
Section 3: Drawing Projects	4-38
D-sized Title Block (36x24)	4-39
Mechanical Project - Drill Press Base	4-41
Architectural Project - Office Tower	4-47
P&ID Project - Oil Lubrication System	4-53
Civil Project - Warehouse Site	4-56
Appendix: Optional Topics	5-1
How to Use Quick Calc	5-2
Additional Zoom Commands	5-4
Creating Model Space Viewports	5-5
Advanced Object Selection	5-8
Single Line Text	5-10
Other Text Tools	5-13
Additional Dimensioning Tools	5-15
Creating Boundaries	5-19
Working with Regions	5-21
Temporary Overrides	5-25

Skills Assessment.....	6-1
AutoCAD 2008 Fundamentals Part 2 Skills Assessment.....	6-3
Index.....	7-1
Index.....	7-3
