Introducing the new and improved, *ImageScan Pro® 820ix / 830ix*

Depending on your need for speed, the ImageScan Pro 820ix and 830ix scan at 20 and 30 pages per minute (ppm) respectively and handle up to 3,000 pages per day making them our most cost effective ADF scanners when you have a single document or a stack of paper to digitize.

Capture clear images of everything from legal-size documents to letter size pages to insurance and ID cards. Paper or plastic doesn't matter.

Ideal industries:

Healthcare   **Insurance**   **Banking & Finance**

Real Estate & Construction   **Professional Services & Consulting**   **Government & Legal**

Ambir®
Technology

ImageScan Pro® 820ix / 830ix

Shouldn't your tools work as hard as you do?

Work smarter with the added efficiency of 2-sided (duplex scanning) in black and white, grayscale or color to any of the most popular file formats like JPG, TIFF or PDF. The enhanced TWAIN driver adds compatibility to countless business and productivity applications. Bundled with our easy to use utility AmbirScan ADF, you will be scanning documents with ease within minutes.

The 2-year warranty and US-based technical support and customer service combined with user-replaceable pads and rollers will allay any concerns about downtime or finding help when you need it most.

Durable, fast, productive.
Ambir and you.

Collapsible document trays ensure the ImageScan Pro 820ix/830ix fits on even the most crowded desks.

Every Ambir scanner comes with comprehensive, U.S.-based phone & online chat support.

Out of the box ability to scan crisp clean images, with advanced settings available for the most difficult scan jobs.
