Saves Time and Effort
We make scanning easy. AmbirScan ADF-gt software provides 9 scan profile buttons.

Introducing the nScan® 940gt

Fast and powerful, the nScan 940gt with AmbirScan ADF-gt software is the ideal professional-grade image capture device for any environment. With a compact footprint, assignable profiles & buttons, scan to most Microsoft programs and the ability to scan insurance and ID cards, the 940gt is precise and accurate, making scanning easy.

Save scans as PDFs, TIFs or JPGs to your local computer or popular Cloud services such as: DropBox, EverNote, Microsoft OneDrive and Google Drive.

Ideal industries:

Healthcare	Insurance	Banking & Finance
Real Estate & Construction	Professional Services & Consulting	Government & Legal
