Mon-Fri 7am-4pm PT

The wireless portable scanner with best-in-class speed¹.

The fastest, smallest and lightest wireless mobile single-sheet-fed document scanner¹, the Epson DS-80W features wireless scanning and groundbreaking speeds — scanning a single page in as fast as 4 seconds². Users can wirelessly scan critical documents to a PC, Mac[®], iOS[®] or Android[™] device³. The DS-80W automatically detects whether it's in wireless or USB mode. There's no intervention required. A convenient LCD displays the wireless status, as well as the battery level. With world-class service and support, this portable scanner includes a 3-year limited warranty⁴. And, it includes OCR and document management software to easily create editable text and searchable PDFs.
